6th Annual Auction & Wine Tasting

December 6, 2009

On behalf of the parents and families at San Francisco Community School, I would like to thank you for your past generosity in supporting various fundraising events for non-profit organizations in San Francisco. I hope that you will continue this tradition and partner with our school at our December 6, 2009 Annual Auction and Wine Tasting.

San Francisco Community is a kindergarten through eighth grade, public school located in the Excelsior neighborhood. Our families represent the diverse community that is reflected throughout the District bringing together children from a wide range of ethnic backgrounds and class throughout the city.

This year San Francisco Community School is holding its annual auction to support our K-5 physical education and to ensure that all students can attend their class camping trip, for many students this is their one chance to get out the city and enjoy nature. I am writing to request a donation from you to be included in this fundraising endeavor. The auction will feature a variety of items donated by local businesses and restaurants and will include an array of leisure time activities, gift certificates and goods from all over the Bay Area. Last year over 150 people attended the auction and purchased items. It's a great way to support your community and some of its most important assets-the children.

If you would like more information on our school or have questions regarding the auction please visit our website www.my-sfcs.org. Thank you for your consideration and support, with your help we can make certain that San Francisco's children receive the quality education that they deserve.

Sincerely,

Please send all donations and communications to our Auction mailing address:
