## NEWS

Hello Families!

- We have a very important SSC meeting tomorrow to talk about our budget for next year. Please come—you don't need to have been coming to SSC meetings this year to lend your voice to this meeting. We welcome your input!
- Aim High Summer Program will be at SF Community this summer for five weeks starting on June 29. This program is open to students entering 6<sup>th</sup>-8<sup>th</sup> grades. Ivy has applications in the office if your family is interested in this program.
- The PAC is having a fundraiser this Sunday afternoon at El Rio, a bar on Mission St. between Cesar Chavez and Valencia. There will be two live salsa bands and delicious food. Please come support our school by dancing and eating between 3-8pm!
- This Friday is our Spring Celebration-where students do fun games and activities in cross-age groups. All family members are welcome to come and participate.

## STRONG INDIVIDUALS

We are working with students to become strong individuals through the following classroom activities:

**4<sup>th</sup>-5<sup>th</sup>:** Fifth grade families have already signed up for portfolio presentations which will take place during the week of May 26. Some students will present during class time and others will present after school.

**6<sup>th</sup>-8<sup>th</sup> Grades:** 8th grade students will be bringing home the form to sign-up for a portfolio presentation slot. Portfolio presentations are about an hour and students always present in pairs. This is a great tradition in our school—8<sup>th</sup> grade students present to our community evidence that they are ready to advance to high school. Sixth and 7<sup>th</sup> grade students presented portfolios during spring conferences.
